## 2023 YOUTH TOUR REPRESENTATIVE ANNOUNCED

Isabella Brumm, student at St. Ansgar High School, has been selected to represent Heartland Power Cooperative at the 2023 Youth Tour in Washington D.C. in June.

Each year over 1,500 students from across the country take part in this event that brings youth to our nation's

capital to learn about U.S. history and electric cooperatives.

The Youth Tour program is open to any sophomore or junior student who lives on cooperative lines. For more information on Youth tour or how to enter this all-expense-paid experience in 2024, please visit our website at [www.heartlandpower.com](http://www.heartlandpower.com) or give us a call at 641.584.2251.

## 2023 Scholarship Recipients

Heartland Power is proud to award \$500 scholarships to area high school seniors. The scholarship committee reviewed many great applications this year. ***Congratulations to these deserving recipients and we wish you, and all area high school seniors, the very best in your future endeavors.***

# Join us in Welcoming Kurt Fahy to Heartland Power Cooperative!

We are pleased to welcome Kurt Fahy as the newest employee at Heartland Power Cooperative! Kurt will assist members throughout the cooperative's service territory as the Manager of Member Services.

Originally from the Sioux Falls area, Kurt is no stranger to North Iowa as his wife is from St. Ansgar. Kurt and his family are currently spending their free time remodeling a home near St. Ansgar.

*Welcome to Heartland Power Kurt! We're glad to have you as part of our team!*

# Help Us Shine the Light on our Local Community Volunteers this June!

Guided by our cooperative commitment to community, Iowa's electric co-ops are excited to once again participate in the statewide Shine the Light contest in June to celebrate local volunteers. Sponsored by the Touchstone Energy Cooperatives of Iowa, the contest will accept nominations in June and select three winners who will each receive a \$2,500 donation to their local charity or nonprofit.

"We've been truly inspired by the contest entries we received in our first two years," remarked Erin Campbell, director of communications for the Iowa Association of Electric Cooperatives. "We're increasing our three charity donations from \$2,000 to \$2,500 each this year to encourage even more participation across the state."

Member-consumers and employees of Iowa's electric cooperatives are eligible to nominate local volunteers during the month of June. If you receive electricity from Heartland Power Cooperative, you're a co-op member-consumer and we encourage you to nominate someone who is making a positive impact in the community. The volunteer being nominated does not need to be a co-op member-consumer.

Minors may be nominated with consent from their parents or legal guardians.

The three winners will be announced in September and featured in *Iowa Electric Cooperative Living* magazine.

Go to [www.IowaShineTheLight.com](http://www.IowaShineTheLight.com) to review the contest rules. Contest entries will be accepted at this website starting on June 1st. *Help us shine the light on our north iowa community volunteers this summer and consider making a nomination.*
